**Waiver of Liability and Assumption of Risk Associated to Continuation  
of In-Person Therapies during COVID-19 Pandemic**

**The therapies my child is receiving through Stepping Stones Pediatric Therapy, LLC are considered essential services per Governor Ducey's proclamation dated: March 23, 2020.**  
<https://azgovernor.gov/governor/news/2020/03/list-essential-services>

- 1) I understand that I have the option to receive services via telehealth, however I am opting for continuation of live, in-person therapies with the understanding that I assume all risk and liability for this decision, in the instance that myself, my child or any other family member becomes ill with COVID-19 following a therapist exposure.**

**I give my consent for the continuation of in-person, live therapeutic services and assume all liability and risks that are associated with possible COVID-19 exposure.**
